The Training

Broadway Summer Camps are for kids who want the experience of performing while getting training at the same time. Training consist of dancing, singing, and acting. All cast members will be challenged from where they are at, at their skill level, and given responsibility to help them develop their talents and grow. Ruhala specializes in offering this kind of experience as artistic director Mark Ruhala has been running these camps for over 25 years in New York & in East Lansing.

Performances

Ruhala Broadway Camps are designed to give kids an opportunity to perform in a Broadway musical Revue. Campers receive artistic coaching for stage-presence, interpretation, stylization, and the foundations for blocking, memorization, and cast cooperation.

Working Philosophy

Ruhala Method starts with the idea that kids are self-learners. As teachers we assist their curiosity and guide them along their way. We stress independent thinking, self-motivation, responsibility, and courage. Good performers are fearless individuals willing to take risks on stage. We support the incredible bravery of our students as they perform.

The Director

Award winning Artistic Director Mark Ruhala brings his 30 years of Broadway and International experience to East Lansing. Mr. Ruhala has developed his own signature style of teaching and working with kids. For over 30 years Mr. Ruhala has helped kids pursue and achieve their performing arts dreams.
